Sauna Televisions

Sauna-built. Heat-certified.

Hand-built in our own factory from steel and glass, our Sauna Televisions are made for the heat and steam of a sauna.

All of our Sauna TVs are smart TVs, with Full HD or 4K Ultra HD, Google TV built in, thousands of apps, and casting from your phone.

Control-system ready

Every model has an IR in jack for IR pass-through and responds to the same discrete IR codes. Works with Control4, Crestron, Savant, RTI, and other major control systems.

Every model includes

- Smart TV built in (Android 11), with Netflix, YouTube, and the major streaming services on the Google Play Store
- Wi-Fi (2.4G/5G) and Bluetooth for sound or accessory connection
- Two invisible resonance speakers, tuned for each size
- 178° viewing angle, horizontal and vertical
- Plus 2 USB 2.0 ports, RJ45 Ethernet, composite in (RCA), aerial in, earphone out, CI+ slot, optical digital audio out, and IR in jack
- Water and steam resistant TV remote (IP66) and a Google TV air mouse remote

Ready for the elements

- IP65 certified, water and steam resistant; heat certified to 176°F
- In-wall brackets included
- Also mounts on the wall or ceiling with a standard VESA bracket
- Larger Sauna TVs may require ventilation when installed in-wall.
- Our Magic Mirror TVs will also work in your sauna, but may require powered ventilation. Shop our Mirror TV line at parallelav.com.

Custom Sauna TVs

Need a size or shape we don't list? We can build it.
